

# Living In A World

[Axxis](#)

Fever is growing in their veins  
Flashlights cold eyes  
Back to the start  
Take a coin for your game  
The game sucks your luck Press all buttons down to play  
Like a drug - like a derailing train  
Falling in the trap of these games [Chorus:]  
Living in a world of shame and glory  
Living in a world of shame and lies  
Living in a world of shame and glory  
It's a flight into other lies it's a lie The coin is your key in a nightmare world  
Machines and dreams  
Luck for a minute you're a loser in life  
Once more high score All our misery  
Illusions of reality  
Don't let them take possession of you [Chorus:]  
Living in a world of shame and glory  
Living in a world of shame and lies  
Living in a world of shame and glory  
It's a flight into other lies it's a lie
