

# All the Tired Horses (Without Overdubs)

[Bob Dylan](#)

All the tired horses in the sun  
How am I supposed to get any riding done?  
All the tired horses in the sun  
How am I supposed to get any riding done?All the tired horses in the sun  
How am I supposed to get any riding done?  
All the tired horses in the sun  
How am I supposed to get any riding done?All the tired horses in the sun  
How am I supposed to get any riding done?  
All the tired horses in the sun  
How am I supposed to get any riding done?
