

Redemption Song

Rihanna

Old pirates, yes, they rob I
Sold I to the merchant ship
Minutes after they took I
From the bottomless pit
But my hand was made strong
But the hand of the Almighty
We forward in this generation
Triumphantly
So won't you help to sing
These songs of freedom?
'Cause all I ever had
Redemption song
Redemption song
Emancipate yourselves from mental slavery
None but ourselves can free our minds
Have no fear for atomic energy
'Cause none of them can stop the time
How long shall they kill our prophets
While we stand aside and look?
Some say it's just a part of it
We've got to fulfill the book
So won't you help me sing
These songs of freedom?
'Cause all I ever had
Redemption song
Redemption song
Redemption song
Emancipate yourself form mental slavery
None but ourselves can free our minds
Have no fear for atomic energy
'Cause none of then can stop the time
How long shall they kill our prophets
While we stand aside and look?
Some say it's just a part of it
We've got to fulfill the book
Now won't you help me sing
Redemption songs
These songs of freedom
Redemption song

These songs of freedom
