

# Please Return My Call

## Trey Songz

(Talking)

I'd do anything just to hear your voice  
Its been to long, since i sen your face  
since i smelt the fragrance of your perfume  
and i cant get a hold of my self,  
No more, I tried to play it cool

But i'm simply breaking breaking breaking down girl  
i need you to build me up again girl, build me up again  
i neglected you, expected you to stay forever (yes i did)  
now your gone and i'm suppose to find better..no no(Chorus)

Girl i need you to,  
please return my call cos i sorry  
and i need to hear from you  
i was wrong thats why i...  
girl i need you to  
please return my call  
promise i regret it all  
only we know what i lost

i just wanna talk so wherever you are please return my call  
Now i'd give up anything for the joy only your smile  
can bring

just to see your face come through that door  
but until then i'm gone pray some more,  
yeah i'm gone pray some more knees by the bedside  
cos your the best thing that happened in my life

and i gotta get you back and im dealing with the fact that i know  
I neglected you expected you to stay forever  
now your gone and im suppose to find another ohhhChorus(Talking)  
You know, baby i need you to understand  
my life is not worth living

and i know your mad, better yet i know your dissapointed but i promise i'll do better just answer the  
phoneChorusGirl i ned you to please
