Focus

Jor'dan Armstrong

Focus up, focus up. (Yeah, yeah.)
Focus up, focus up. (Focus up.)

Swear that you da best to ever do it.
Swear that you da best to ever do it, you the number one.
You da only one that been thru it. (Alright)
Now the whole world calling you the truest!

Water into wine you, you do it!
Sight to the blind, by the (inaudible)
Walking on the water, you da coolest!
No, can't nobody do it like you do it!

You so amazing, Unh uhnn.
You stay the same, you never change, and I got my focus on.

I be focused on you, yeah! (Focus on the real.)
I be focused on you, yeah!
Focus on the real, focus on the real! (I do, I do, I do!)
Focus on the real, (I do, I do, do!)
Focus on the real, focus on the real.

I be focused on you, yeah! (Focus on the real.)
I be focused on you, yeah!
Focus on the real, focus on the real! (I do, I do, I do!)
Focus on the real, (I do, I do, do!)
Focus on the real, focus on the real.

You got me staying up in a better place.
Got me riding better on the interstate.
Got me eating off of a better plate, Uhnn.
The hustle in me trying to grind my way out.
But your favor in me keep on rising, Bless up!

Water into wine you, you do it!
Sight to the blind, by the (inaudible)
Walking on the water, you da coolest!
No, can't nobody do it like you do it!

You so amazing, they think I'm crazy. Unhhhhh

You stay the same, you never change, and you what I'm focused on.

I be focused on you, yeah! (Focus on the real.)
I be focused on you, yeah!
Focus on the real, focus on the real! (I do, I do, I do!)
Focus on the real, (I do, I do, do!)
Focus on the real, focus on the real.

I be focused on you, yeah! (Focus on the real.)
I be focused on you, yeah!
Focus on the real, focus on the real! (I do, I do, I do!)
Focus on the real, (I do, I do, do!)
Focus on the real, focus on the real.

You got me staying up in a better place. (Yeeaahhhh)
Got me eating off of a better plate, Uhnn.
The hustle in me trying to grind my way out.
But your favor in me keep on rising, Bless up!

(Yeahhhhhhhh)
Talking outro.
