

# Bloodmines

## Baptists

Take it from me kid  
There is some money under this ground  
Scrape it from rocks, boy  
No risk in harming yourself or this town  
Oil and gold  
Tar and coal  
All for blood  
Look at this hole here  
Go in and fetch me something that shines  
Dig for your daughter  
Drill for the heartbeats you left behind  
Maximum output derives  
From peeling yourself from your pride  
Passing your findings to me  
Will get you out of this mine
