Grow Old with Me (Demo)

Tom Odell

I can feel you breathing
With your hair on my skin
As we lie here within
The nightI'll pull the sheets
When it's cold on your feet
Cuz you'll fall back to sleep
Every timeGrow old with me
Let us share what we see
And oh the best it could be
Just you and IAnd our hands they might age
And our bodies will change
But we'll still be the same
As we areWe'll still sing our song
When our hair ain't so blonde
And our children have sung
We were rightThey'll sing
Grow old with me
Let us share what we see
And oh the best it could be
Just you and IAnd the hairs they stand up
And my feet start to thump
Yer the feeling is dreaming
AroundYou'll be the one
Make me hurt, make me come
Make me feel like I'm real
And aliveGrow old with me
Let us share what we see
And oh the best it could be
Just you and IGrow old with me
Let us share what we see
And oh the best it could be
Just you and I
