

Be Ourselves

Borgore

Let's get high, let's get faded,
Just forget that life is complicated,
Let's get drunk , let's get wasted,
Make mistakes we won't regrettingLet's get high, lets get faded,
Just forget that life is complicated,
Lets get drunk , let's get wasted,
Make mistakes we won't regrettingLet's be ourselves x8Lets be ourselves and just get naked!Let's get
fadedTurn up!Let's get high, let's get faded,
Just forget that life is complicated,
Let's get drunk , let's get wasted,
Make mistakes we won't regrettingLets get high, lets get faded,
Just forget that life is complicated,
Lets get drunk , lets get wasted,
Make mistakes we won't regrettingLet's be ourselves x8Lets be ourselves and just get naked!Let's get
