I Think I'm Paranoid

Garbage

You can look, but you can't touch
I don't think I like you much
Heaven knows what a girl can do
Heaven knows what you've got to proveI think I'm paranoid
And complicated
I think I'm paranoid
Manipulate itBend me, break me anyway you need me
All I want is you
Bend me, break me, breaking down is easy
All I want is youI fall down just to give you a thrill

All I want is youI fall down just to give you a thrill
Prop me up with another pill
If I should fail, if I should fold

I nailed my faith to the sticking poleI think I'm paranoid Manipulate it

I think I'm paranoid

And complicatedBend me, break me anyway you need me

All I want is you

Bend me, break me, breaking down is easy
All I want is youParanoid
I think I'm paranoidBend me, break me anyway you need me
All I want is you

Bend me, break me, breaking down is easy
All I want is youSteal me, deal me, anyway you heal me
Maim me, tame me, you can never change me
Love me, like me, come ahead and fight me
Please me, tease me, go ahead and leave meBend me, break me anyway you need me
As long as I want you, baby, it's alright

Bend me, break me any way you need me As long as I want you, baby, it's alright
