

# In This Town

Peter Bjorn and John

in this town in this town  
im lost in my senses  
running scared in an empty street  
all alone in a crowd of my own in this town  
sights and sounds are getting familiar  
in this town its time to move on  
so come take me away before night turns to day, move me cause tonight  
i dont wanna go home  
i wanna go back to when it started  
in the lost and found im nobody now  
im gone  
im in with the departed  
give me one more try  
im gonna make it this time  
in this town  
sell you sleep to gain hours for the day  
now the walls are closing in  
in this town cant feel anything  
so come take me away before night turns to day  
move me cause tonight  
i dont wanna go home  
i wanna go back to when it started  
in the lost and found im nobody now  
im gone im in with the departed  
give me one more try im gonna make it this time
