Entitled

Leighton Meester

I'm an amnesiac, forgot what it's like, to be happy.
Some kind of maniac, follow you around when I know you don't want me.
I was so blind, don't ask, don't care.
Open my eyes, now I see, there's...(Chorus)
Something that I've been entitled to, for too long, too long, too long.
Something that I've been missing, uh-oh-ohhhhh.
Shame on you, but shame on me, too.I liked it in the dark, feeling all around 'til I fell and stumbled, but now I've got a spark, gonna light a fire and watch it crumble.
I wasn't free, always in cuffs, no more asleep.
Now I woke up to...(Chorus)
Something that I've been entitled to, for too long, too long, too long.
Something that I've been missing, uh-oh-ohhhhh.
Shame on you, but shame on me too.
Shame on you, but shame on me too.I've played, in love, and its got, to end. I was, in love, but I won't, pretend it.
Something that I've been entitled to, something that I'll never find in you.
Shame on you, but shame on me, too.
Shame on you, but shame on me, too.
