

# Monster

## Kristine Elezaj

Yes it's time, time for me, play the villain  
Walking on, all you men, use the power, yeah you know it  
Don't need no validation, had enough, yeah you know it  
Breaking my frustration with that bullshit you be saying

I say if i talk back i'ma blow it  
I don't give a damn, watch me on it  
I do me, just keep going  
Gonn walk till the video dropI, i got my own control  
I ain't gonn play no more  
I ain't gotta sleep with you to get what i want  
It's too much overload  
I'm off to break the most  
I'm sorry if it's cold  
Break yourself  
You make me a monster  
I'm a monster, a monster  
I'm a, i'm a monster  
A monster, a monster  
I'm a, i'm a monster  
A monster, a monster

Got em scared, going crazy, showin out, yeah you know it  
Cause they never had a chick to shut em down, yeah you know it  
Anxious, off of my cage and i'm ready  
Breaking my frustration with that bullshit you be saying

I say if i talk back i'ma blow it  
I don't give a damn, watch me on it  
I do me, just keep going  
Gonn walk till the video dropI, i got my own control  
I ain't gonn play no more  
I ain't gotta sleep with you to get what i want  
It's too much overload  
I'm off to break the most  
I'm sorry if it's cold  
Break yourself  
You make me a monster  
I'm a monster, a monster  
I'm a, i'm a monster  
A monster, a monster  
I'm a, i'm a monster

A monster, a monster  
Hey lil mama, why you do me like that  
    Why you treat me like that  
    Don't run me like that  
Hey lil mama, why you do me like that  
    Why you treat me like that  
    Don't run me like that  
I say if i talk back i'ma blow it  
I don't give a damn, watch me on it  
    I do me, just keep going  
Gonn walk till the video dropI, i got my own control  
    I ain't gonn play no more  
I ain't gotta sleep with you to get what i want  
    It's too much overload  
    I'm off to break the most  
    I'm sorry if it's cold  
    Break yourself  
    You make me a monster  
    I'm a monster, a monster  
    I'm a, i'm a monster  
    A monster, a monster  
    I'm a, i'm a monster  
    A monster, a monster.
