Babylon

Aphrodite's Child

Fallen fallen fallen
is Babylon the great!
Space is getting bounded,
time is getting late!

Masters fall and wonder,
people rise and wait
Fallen fallen fallen
is Babylon the great!

You don't need a coin,
I don't have to shine
We don't know the reason

But I need you madly
and you need me too
and we need each other...
and we need each other...
and we need each other... Fallen fallen fallen
is Babylon the great!
Space is getting bounded,
time is getting late!

Masters fall and wonder,
people rise and wait
Fallen fallen fallen
is Babylon the great!

You don't need a coin,
I don't have to shine
We don't know the reason

But I need you madly
and you need me too
and we need each other...
and we need each other...
and we need each other...
