

Jah Knows Best

Sizzla

Jah knows best
Jah knows best
Jah knows best
Nevertheless
Nevertheless
Nevertheless
Jah knows best
Jah knows best
Jah knows best
Little children you blessed
People you blessed
People you blessed
Do as you should, go and try
Jah will bless you, give you the bly
Confident yourself, don't deny
All things are possible because of King Selassie-I
I share my food with the poor and you know why
I want to see them go to school for sure, yes I
Simple life, so be dignified, spit in the sky, it's gonna fall in your eye
Love Jah you live, if you hate Jah you go die
Jah knows best
Jah knows best
Jah knows best
Nevertheless
Nevertheless
People you blessed
Jah knows best
Rastafari knows best
Rastafari is blessed
Nevertheless
Nevertheless
Nevertheless
Live and love, it is so significant
Speak of matters up
To the point of relevance
Rastafari in your good deliverance
Before you kill your brother
Why won't you turn?
And don't be so ignorant

Rastafari got this whole wide world in his arms
Jah knows best
Jah knows best
Jah knows best
Nevertheless
Nevertheless
'Cause people you blessed
Jah knows best
Jah knows best
Jah knows best, yeah
Little children you blessed
Children you blessed
Children you blessed, yeah
All these blessings, Jah is the one to send it
Give you brother a shoulder, make money so we spend it
Can be controversial, still we comprehend it
Love life, we livin' it neverendin'
Don't fight, so catch no blemish
Don't be like those heathens
'Cause Jah won't defend it
Repatriate to Mama Africa, the West shall perish
Jah knows best
Jah knows best
Jah knows best
Nevertheless
Nevertheless
Black people you blessed
Jah knows best
Jah knows best
Jah knows best
Will guide you
Every step
Every move you make
All the righteousness has God
He make in his likeness, the conquering lion
Virtuous, courageous, hail Mount Zion
He comes to lead us, to the Motherland
Wash your hands so your heart must be clean
Come and help me float red, gold and green
With all gratitude, we've got the attitude
To stand and lead these human beings
'Cause Jah knows best
Jah knows best
Jah knows best
Nevertheless

Nevertheless
My people you blessed
My people you blessed
Jah knows best
Jah knows best
Jah knows best
Nevertheless
Jah, Rastafari
Children, do as you should, go and try
Jah will give you the bly
