

Fax My Love

Jan Terri

I'm gonna fax my love to you
Send it C.O.D.
Hope my love will last
until i'm in your arms again.I'm gonna fax my love to you
Send it C.O.D.
Hope my love will last
until i'm in your arms again.On a day without you
seems like a million miles away from you.
No car or port can keep us apart
There's only one thing I can do
is to get this message to you...I'm gonna fax my love to you
Send it C.O.D.
Hope my love will last
until i'm in your arms again.I'm gonna fax my love to you
Send it C.O.D.
Hope my love will last
until i'm in your arms again.When I woke up this morning
and realised you weren't here,
I felt this empty feeling inside.
I still can't believe it, oh.
Someday I want you in my arms.
In the meantime, you have to get this message...I'm gonna fax my love to you
Send it C.O.D.
Hope my love will last
until i'm in your arms again.I'm gonna fax my love to you
Send it C.O.D.
Hope my love will last
until i'm in your arms again.From coast to coast and all over the world,
You think you know me well.
You say that long-distance romance don't last (don't last)
Somehow I will prove you wrong
Realise i love you.
I don't care what others think as long as you're with me (you're with me)..I'm gonna fax my love to you
Send it C.O.D.
Hope my love will last
until i'm in your arms again.Time is the answer
Our days are longer
Nights I grow weary
Since you are gone...I'm gonna fax my love to you

Send it C.O.D.
Hope my love will last
until i'm in your arms again.I'm gonna fax my love to you
Send it C.O.D.
Hope my love will last
until i'm in your arms again.I'm gonna fax my love to you
Send it C.O.D.
Hope my love will last
until i'm in your arms again.I'm gonna fax my love to you
Send it C.O.D.
Hope my love will last
until i'm in your arms again.I'm gonna fax my love to you
Send it C.O.D.
Hope my love will last
until i'm in your arms again.I'm gonna fax my love to you
Send it C.O.D.
Hope my love will last
until i'm in your arms again.I'm gonna fax my love to you
Send it C.O.D.
Hope my love will last
until i'm in your arms again.I'm gonna fax my love to you.
