Keep Away

Godsmack

Sickness spilling through your eyes Craving everything That you thought was alive, yeah Stab me yeah, in my heart again, ah yeah Drag me through your wasted life Are you forever dead?Do like I told you Stay away from me Never misunderstand me Keep away from meTwistin' everything around that you say, yeah Smack me in my mouth 200 times every other day Oh, rag me, I don't hear you anymore, not yet Find out what it means to me I don't know who you areDo like I told you Stay away from me Never misunderstand me Keep away from meDo like I told you Stay away from me Never misunderstand meDraggin' on so lonely Aren't you tired baby? Yeah Breathing life into your lungs Are you immune to me?Do like I told you Stay away from me Never misunderstand me Keep away from meDo like I told you Stay away from me Never misunderstand meKeep away from me, oh yeah Never misunderstand me Never misunderstand me
