Goodbye Heartache

Mark Chesnutt

(Mark Chesnutt, Steve Leslie, Roger Springer)You've been gone almost a month
Girl I nearly died
For twenty seven days and nights
I sat right here and cried
If it wasn't for your memory
I'd been here all alone
Goodbye heartache, darlin', welcome home.Chorus:
Treat me any way you want to
Even cuss and swear
Call me anything you need to
I promise I wont care
Just let it all out, you're right I was wrong
Goodbye heartache, darlin', welcome home.
--- Instrumental ---There's really just no good excuse
For the things I said
The way that I stood up to you
I must have lost my head
And I'm not ashamed to say
Thank God those days are gone
Goodbye heartache, darlin', welcome home.Chorus:
Treat me any way you want to
Even cuss and swear
Call me anything you need to
I promise I wont care
Just let it all out, you're right I was wrong
Goodbye heartache, darlin', welcome home.--- Instrumental ---
Chorus:
Treat me any way you want to
Even cuss and swear
Call me anything you need to
I promise I wont care
Just let it all out, you're right I was wrong
Goodbye heartache, darlin', welcome home.Goodbye heartache, darlin', welcome home...
