

Closure

Gerald Levert

Hoo ooh babe
Baby
Hoo hoo ooh
Oh, babe
Oh, babe
Oh, baby, baby, baby, baby
When did you stop lovin' me?
What did I do so wrong
That you had to leave?
When did you stop wantin' me?
No letters, no call
Girl, you know I'm needy
Baby, this thing has to get told
On my mind, my body and soul, baby
(Can't get you out of system)
Out of my head
Out of my future
Out of my bed
I hear your name
I see your face
I lose all composure
I need to see you one more time
I need closure
Hoo, ooh
(Hoo, baby, baby)
Can we go somewhere, baby
And talk about
All the things I did to stress you out?
(Hoo hoo)
I won't be satisfied
(No way)
Till I understand, why
Why you ain't here in my life
Can you just give me that much?
(Yeah)
Don't leave me hangin' without a crutch
Can't get you out of system?
(Can't get you out)
Out of my head

(Out of my head)
Out of my future
(My future)
Out of my bed
(My bed)
I hear your name
(Hear your name)
I see your face
(See your face, babe)
I lose all composure
(Hoo, baby)
I need to see you one more time
I need closure
(Ooh closure)
Hoo ooh ooh, closure
(Closure)
Hoo ooh
Why, that is the question
(Question)
Every day I ask myself
Since you went away, baby
(Hoo, baby)
I wasn't perfect
(Perfect)
Tell me were you
(Were you, babe)
You said, "Everyday I love you"
(You said, you said)
Can't get you out of system
(Ooh, hoo)
Out of my head
Out of my future
(No way)
Out of my bed
(No way, baby)
I hear your name
(I hear your name)
I see your face
(I see your face, babe)
I lose all composure
(I get all choked up inside)
I need to see you one more time
I need closure
(Closure)
Hoo ooh ooh, closure

(I need to know, why did you leave me, baby)

Hoo ooh ooh, closure

(Why did you go away, baby?)

Hoo ooh ooh, closure

(Why did you pick up and)

Leave me?

I need to see you one more time

(Na na na, na na na, na na na)

I need closure
