

# D. Ray White

## Hank Williams III

Way down in West Virginia  
There's some people who are one of a kind  
They don't need nothin' from nobody  
Cause there already doin' fine  
You got Hasil Adkins hunchin'  
And Maime's raisin' hell  
The legend of D. Ray White  
Will never die like a rebel yell And ole' Jesco's dancin' in his daddy's shoes  
Ya ole' Hasil's still hunchin' out them Boone County blues  
And ole' Maime shes done some time in jail  
The legend of D Ray White  
Will never die like a rebel yell Bertie Mae white shes the strongest woman that I've ever met in my life  
She raised over 24 of her own and had to watch her husband die  
She's always fightin' hard and livin' off the land  
When she's done livin' in this world you know the lord's gonna take her by her hand And ole' Jesco's dancin' in  
his daddy's shoes  
Ya ole' Hasil's still hunchin' out them Boone County blues  
And Maime you know she's still raisin' hell  
The legend of D Ray White  
Will never die like a rebel yell
