

Happy (Artist Choice Version)

Saving Jane

Filling up my empty days with red wine
Wonder what you think of me?
Lying in the grass alone and wasted
Nothing's how it used to be I wanna be the first to call and tell you
Yesterday I heard the news
I hear you oughtta be congratulated
So I guess that's what I'll do I'm so happy for you
I could cry
Yeah, I'm so elated
Cross my heart and hope to die
I don't think about you every night
Before I close my eyes
I'm so happy for you baby,
I could cry Listen to the sound of my head pounding
Wish that it was make-believe
Praying for the skies to open up and
Wash away your memory I can walk around with a pretty face on
Even when I'm black and blue
What's the point in telling everybody
I'm not over you I'm so happy for you
I could cry
Yeah, I'm so elated
Cross my heart and hope to die
I don't think about you every night
Before I close my eyes
I'm so happy for you baby,
I could cry Cry about the love we used to have
Cry that I won't ever get you back Filling up my empty days with red wine
Wonder what you think of me? I'm so happy for you
I could cry
Yeah, I'm so elated
Cross my heart and hope to die
I'm so happy for you
So, so happy for you
I don't think about you every night
Before I close my eyes
I'm so happy for you baby,
I could cry
