

# Daybreak

Eloy

Sngin' to the world  
It's time we let the spirit come in  
    Let it come on in  
    I'm singin' to the world  
    Everybody's caught in the spin  
    Look at where we've been  
    We've been runnin' around  
    Year after year blinded with pride  
        Blinded with fear  
    But it's daybreak if you wanna believe  
    It can be daybreak ain't no time to grieve  
    Said it's daybreak if you'll only believe  
And let it shine, shine, shine all around the world  
    Singin' to the world, singin', singin'  
    Singin' to the world, singin', singin'  
        Singin' to the world  
    What's the point in puttin' it down?  
        There's so much love to share  
        I'm singin' to the world  
    Don't you see it all comes around  
        The feeling's everywhere  
        We've been closin' our eyes  
    Day after day covered in clouds  
        Losing' our way  
Hey, but it's daybreak if you wanna believe  
    It can be daybreak ain't no time to grieve  
    Said, "It's daybreak if you'll only believe  
And let it shine, shine, shine all around the world"  
    Everyone's singin', singin' to the world  
    Everyone's singin', singin' to the world  
        It's daybreak if you wanna believe  
        It can be daybreak ain't no time to grieve  
        Said, "It's daybreak if you'll only believe  
And let it shine, shine, shine all around the world"  
        Everyone's singin'  
        Singin' to the world  
And let it shine, shine, shine all around the world  
    Singin' to the world, singin', singin'  
    Singin' to the world, singin', singin'

Singin' to the world, singin', singin'
