All I Want Is You

Mark Collie

I don't want a lot of things
I don't need a party every night to keep me entertained
I don't want to sing that kind of tune, all I want is youListen, I don't want a pot of gold
I don't need all the silver my bank account can hold
I don't want to be that kind of fool, all I want is youAll I want is you, all I want to do is love you
Your arms around me tight every day and night
I want to love you strong and true, all I want is youMercy naw, na na, naw, na na
