Medusa

Moulettes

Enigma, shimmerer, could I have the answer?
You have seen a glimmer of Supernatural power
What made me so, Medusa?
For I am my own savior
Perpetual Rapture like a blooming flower...As far as the eye can see
As far as the eye can see
As far as death and immortality
As far as the eye can see
Beholder, mirrorrer, for I am my own savior
What made me so, Medusa?
For I am my own savior
Perpetual Rapture like a blooming flower...As far as the eye can see
As far as the eye can see
As far as death and immortality
As far as the eye can see
As far as the eye can see, across the water
Her reflection follows me
Echoes across the waterAs far as the eye can see, across the water
Her reflection follows me
Like mother like daughter.
