

Emma

Sisters of Mercy

We were together since we were five
She was so pretty
Emma was a star in everyone's eyes
And when she said she'd be a movie queen
 Nobody laughed
 With her face like an angel
 She could be anything
 Emma
 Emmaline

I'm gonna write your name high on that silver screen
 Emmaline
 Emma
 Emmaline

I'm gonna make you the biggest star this world has ever seen
At seventeen
 We were wed

And I worked day and night to earn our daily bread
 And every day
 Emma would go out searching for that play
 That never, ever came her way

And sometimes she come home and she'd be so depressed
I'd hear her crying in the back room and feel so distressed
 And I'd remember back when she was five
To the words that used to make Emmaline come alive

 It was...Emma
 Emmaline
 Emma
 Emmaline

I'm gonna write your name high on the silver screen
 Emmaline
 Emma
 Emmaline

I'm gonna make you the biggest star this world has ever seen
It was a cold and dark December night
 When I opened up the bedroom door
 To find her lying
 Still and cold upon the bed
 A love letter lying on the bedroom floor
 It read,
 Darling I love you
 But I just can't keep on living on dreams no more
 I've tried so very hard not to leave you alone
 But I just can't keep on trying no more
 Emmaline

oooh Emma
Nooo
Emma
Emmaline
