

I Love The Sound Of Breaking Glass

[Nick Lowe](#)

I love the sound of breaking glass
Especially when I'm lonely
I need the noises of destruction
When there's nothing new Oh nothing new, sound of breaking glass I love the sound of breaking glass
Deep into the night
I love the sound of its condition
Flying all around Oh all around, sound of breaking glass
Nothing new, sound of breaking glass Oh all around, sound of breaking glass
Nothin' new, sound of breakin' glass Safe at last sound of breaking glass I love the sound of breaking glass
Deep into the night
I love the work on it can do Oh change of mind
Oh a change of mind
Sound of breaking glass All around, sound of breaking glass
Nothing new, sound of breaking glass
Breaking glass, sound of breaking glass Sound of breaking glass
Sound of breaking glass
Sound of breaking glass
Sound of breaking glass
Sound of breaking glass
Sound of breaking glass
