

# Interlude

## Angie Stone

[man] hello  
[woman] you ain't no damn good  
[man] ho, ho, ho, slow down  
[woman] so what you was out gettin' your party on, huh?  
[man] yeah, I was at the club this weekend  
[woman] yeah, my parents saw you all up on some gutted check  
[man] here we go with this "he say, she say" stuff  
  
[woman] my mom told me you wasn't no good  
[man] what? I know your mom don't like me  
But I don't care  
[woman] I just can't trust you no more  
[man] I just can't go on like this, I can't  
[woman] we just need some time apart from each other  
[man] huh? well, if you feel like you gotta leave me  
Do what you gotta do
