

Jane

The Outfield

Looks like she came from the sixties
(Looks like she came from the sixties)
Wearing flowers in her hair
(Wearing flowers in her hair) Still in love with Sgt. Pepper
(Still in love with Sgt. Pepper)
Seen it all 'cos she was there
(Seen it all 'cos she was there) Saving up her memories for another rainy day
Jane
(Jane, Jane , Jane) Sending out an invitation
(Sending out an invitation)
Tries to hide her dream affair
(Tries to hide her dream affair) Confidential information
(Confidential information)
Making headlines everywhere
(Making headlines everywhere) She could tell the truth and watch the words get re-arranged
Jane
(Jane, Jane , Jane) Look at all these nowhere people
(Look at all these nowhere people)
Little piggies everywhere
(Little piggies everywhere) Never keeps their name or number
(Never keeps their name or number)
String of pearls that she can't wear
(String of pearls that she can't wear) One day all her secrets might be in the news again
Jane
(Jane, Jane , Jane) Saving up her memories for another rainy day
Jane
(Jane, Jane , Jane) One day all her secrets might be in the news again
Jane Jane, Jane, Jane
Jane, Jane, Jane
Jane, Jane, Jane
