

Don't Let Me Go

Jai Waetford

Ohh
YeahBaby please stay near
Don't know how I'd live without you here
It feels like I'm drowning I've got no airMy life is nothing without you here
So baby please, don't leave me now
Don't leave me nowDon't let me go
Don't let me go
Don't let me goYou built me up then
You break me down
You could break my heart
Without a soundYou've got the softest touch
And no deceit
And no money or car could change
What you mean to meCause I'm falling in love with you
And I just can't help myself
Cause I'm falling in love with youAnd I just can't help myselfSo baby please, don't leave me now
Don't leave me now
Don't leave me now
OhhhhDon't let me go
Don't let me go
Don't let me go
OhhhhDon't let me go
