Technologic. One more time

Ah ah ah ah ah

Ah ah ah ah

One more time

Ah ah ah ah ah

Ah ah ah ah We're like the legend of the phoenix

Our ends with beginnings

What keep the planets spinning

The force of love beginning We've come to far,

To give up who we are

So let's raise the bar

And our cups to the stars We're up all night till the sun

We're up all night to get some

We're up all night for good fun

We're up all night to get lucky We're all up till the sun

We're up all night to get some

We're up all night for good fun

We're up all night to get lucky

We're up all night to get lucky

We're up all night, all night to get,

Up all night to get, get, get lucky Last night, I had this dream about you

In this dream, I'm dancing right beside you

There's nothing wrong with just a little bit of fun

We were dancing all night long Oh, I don't know what to do

About this dream and you  
I hope this dream comes true One more time  
We're gonna celebrate  
Oh yeah, all right  
Don't stop the dancing  
One more time  
We're gonna celebrate Work it harder, make it better  
Do it faster, makes us stronger  
More than ever hour after  
Our work is never over Work it harder, make it better  
Do it faster, makes us stronger  
More than ever hour after  
Our work is never over I'mma work it harder, make it bett-  
Do it faster, makes us  
More than ever hou-hour after  
Ou-our work is never over Work it harder, make it better  
Do it faster, makes us stronger  
More than ever hour after  
Our work is never over Television, rules the nation, oh yeah  
Television, rules the nation Music's got me feeling so free  
Celebrate and dance so free  
One more time  
Music's got me feeling so free  
We're gonna celebrate  
Celebrate and dance so free (celebrate) Tonight (We've)  
Hey, just feelin' (Come to far)  
Music's got me feeling the need (To give up who we are)  
One more time  
Music's got me feeling so free (So let's)  
We're gonna celebrate (Raise the bar)  
Celebrate and dance (And our cups)  
To the stars We're up all night till the sun  
We're up all night to get some  
We're up all night for good fun  
We're up all night to get lucky We're up all night till the sun  
We're up all night to get some  
We're up all night for good fun  
We're up for One more time  
We're up all night till the sun  
Celebration  
Feelings so free One more time  
We're up all night till the sun  
Celebration  
Music's got me feeling so  
Our work is never over
