

Double Heart

The Band Perry

He was sweet as cotton candy at a county fair
Well he's a cold drink of water with butterscotch hair

He swore that he loved me

Well I guess he probably did

'cause when he rolled up his sleeve one day

I saw my name next to his

A new tattoo stinging like a hornet

Two little hearts like a big red warning

I wasn't looking for a permanent thing

First comes the ink, then comes the ring

Burn burn baby

I bet we could've made a bunch of sweet memories

You should have slowed down mister

Moving like a twister's just a little fast for me

So now it's 0 to 60

And if you ever miss me I'm right there on your arm

Don't you cry, I'll leave you something behind

Skid marks and a double heart

Well he's a tough bronc buster

I bet he sleeps in his boots

Well he tried to throw a rope around me right out of the shoot

He swore that he loved me

Well I reckon he probably did

'cause when he rolled up his sleeve one day

I thought here we go again

A new tattoo burning like a brand

Two little hearts on my rodeo man

I wasn't looking for a permanent thing

First comes the ink, then comes the ring

Burn burn baby

I bet we could've made a bunch of sweet memories

You should have slowed down mister

Moving like a twister's just a little fast for me

Well now it's 0 to 60

And if you ever miss me I'm right there on your arm

Don't you cry, I'll leave you something behind

Skid marks and a double heart

I'm a free bird

A new tattoo whistling Dixie
Two little hearts ain't gonna get me
I'm not looking for a permanent thing
So don't you put ink 'til I take the ring
Burn burn baby
I bet we could've made a bunch of sweet memories
You should have slowed down mister
Moving like a twister's just a little fast for me
Well now it's 0 to 60
And if you ever miss me I'm right there on your arm
Don't you cry, I'll leave you something behind
Skid marks and a, skid marks and a
Skid marks and a double heart
Well, I'm a free bird
