

# Tomorrow Never Lies

## Pulp

Tomorrow never lies,  
So live for today. Don't be afraid  
Of the skeletons  
Of yesterday. Each morning brings you closer to your goal  
So grab your chance, don't let it go. The city streets are littered  
With the casualties,  
The could haves  
The should haves  
And the would've beens. Don't let this chance slip by.  
Because  
Tomorrow never lies.  
Tomorrow never lies. No it's never gonna lie  
If you live tomorrow today.  
There are those  
Who would shoot you down. There's always someone wants to  
Shoot you down,  
But you know,  
They're never gonna be able to shoot you down  
If you live tomorrow today,  
If you live tomorrow today,  
If you live tomorrow today. The night time blazes  
With all your nightmares come to life.  
But you can face the danger  
Knowing that your cause is right  
And leave them all below you, bleeding as you rise  
Into the night. Because you know  
Tomorrow never lies,  
Tomorrow never lies,  
No, it's never gonna lie  
If you live tomorrow today. There are those who would  
Shoot you down,  
There's always someone wants to shoot you down,  
But you know they're never gonna be able to  
Shoot you down  
Oh, if you live tomorrow today,  
If you live tomorrow today,  
If you live tomorrow today.  
Cause you, you gotta live tomorrow today. Live it,  
Because,

Tomorrow never lies,  
Tomorrow never lies,  
Tomorrow never lies,  
Tomorrow never lies,  
No no no no no
