

Stay The Night

Chicago

I don't want you to misunderstand me
I just wanna say what's on my mind
No need to hit me with an attitude
Because I haven't got the time I want you to know one thing's for certain
I surely love your company
And I won't take no if that's your answer
At least that's my philosophy Stay the night
There's room enough here for two
Stay the night
I'd like to spend it with you
Stay the night
Why don't we call it a day?
No one can stop us
Nothing is in the way Have some friendly conversation
And if you still don't have a clue
Unless there's something else you've got in mind
We've got better things to do Stay the night
There's room enough here for two
Stay the night
I'd like to spend it with you
Stay the night
Why don't we call it a day?
No one can stop us
Nothing is in the way Just to have you near me
Here by my side
Just to have you near me
And when I get next to your body
Just to have you near me
Something I can tell you
Make it perfectly clear
We're gonna have a very good time Stay the night
There's room enough here for two
Stay the night
I'd like to spend it with you
Stay the night
Why don't we call it a day?
No one can stop us
And nothing is in the way No one can stop us
And nothing is in the way

I don't wanna stay Stay the night
Stay the night
Stay the night
