

Wrap Your Arms Around Me

KC and The Sunshine Band

Wrap your arms around me
Come on, come on
Wrap your arms around me
Get it on, get it on Wrap your arms around me
Come on, come on
Wrap your arms around me
Rock me all night long Oh, don't waste a minute
Don't waste no time
Give right to it
Come on and be mine Wrap your arms around me
Come on, come on
Wrap your arms around me
Get it on, get it on Wrap your arms around me
Come on, come on
Wrap your arms around me
Rock me all night long Oh, come on and take me
Make me feel good
Wrap your arms around me
You're what I want Wrap your arms around me
Come on, come on
Wrap your arms around me
Get it on, get it on Wrap your arms around me
Come on, come on
Wrap your arms around me
Rock me all night long Do it, do it now, do it, do it now
Do it, do it now, baby
Do it, do it now, do it, do it now
Do it, do it now, baby Do it, do it now, do it, do it now
Do it, do it now, baby
Do it, do it now, do it, do it now
Do it, do it now, baby Do it, do it now
Do it, do it now
Do it, do it now
