

# Sheep Attack

[Dimie Cat](#)

SHEEP ATTACKThe sun, it turns out his light  
Everything's ok, everything's alright  
Save me a mellow dream for tonightAll wrapped up in my bed  
Counting sheep, 1, 2, 3 in my head  
I'm ready for a king sized restSlowly, slowly,  
I'm making my way through a fantasy  
Nothing can go wrong, it feels so quiet  
Softly, softly,  
I'm hugging my pillow full of dreams to dream  
Songs drift slowly 'round, goodnight  
I'm sailing through the seas of the moon  
Releashing spatial, lunar macaroons  
It's me, myself and I in my cocoonNext stop: an island of blooms  
Yellow daffodils springing up in my room  
And in the fields of joy, my heart goes boomSlowly, slowly,  
I'm making my way through a fantasy  
Nothing can go wrong, it feels so quiet  
Softly, softly,  
I'm hugging my pillow full of dreams to dream  
Songs drift slowly 'round, until a sheep attack!My eyes wide open in the darkI thought I would be fast asleep in  
my warm comfy bed  
Instead I've got a crazy flock over my head  
Woolly monsters  
Feeding on my coversI feel like such an insomniac  
The sheep attack, the sheep attack
