Perfidia

Phyllis Dillon

To you, my heart cries out Perfidia
For I found you, the love my life
In somebody else's armsYour eyes, are echoing Perfidia
Forgetful of the promise of love
You're shared another's charmsWith a sad lament my dreams
Are faded like a broken melody
While the Gods of love look down and laugh
At what romantic fools, we mortals beAnd now, I know my love was not for you
And so I'll take it back with a sigh
Perfidia's one goodbyeSock to me, babyWith a sad lament my dreams
Have faded like a broken melody
While the Gods of love look down and laugh
At what romantic fools, we mortals beAnd now, I know my love was not for you
And so I'll take it back with a sigh
Perfidia's one goodbyeGoodbye, goodbye
Goodbye, goodbye
Goodbye, goodbye
