## Five Finger Death Punch

It's not enough  
It's not enough  
It never was or will be  
I never had the chance to thank you  
(FOR RIPPING OUT MY HEART)It's not enough  
It's not enough  
It never was or will be  
I never got the chance to say  
(FUCK YOU)I don't want to be your tourniquet  
For minor lacerations  
Don't wanna be your Romeo  
Because you're no Goddamn Juliet  
(You always did know just what to say; insult and injury)  
(YOU JUST LOVE TO HATE ME! )It's not enough  
It's not enough  
It never was or will be  
I never had the chance to thank you  
(FOR RIPPING OUT MY HEART)It's not enough  
It's not enough  
It never was or will be  
I never got the chance to say  
(FUCK YOU)You've got a gun  
I've got a gun  
Let's write a tragic ending  
Don't wanna be this way again  
Don't wanna be the one to blame  
(You can have the high roads; I'll take the lows, disguise the frailty)  
(I JUST LOVE TO HATE YOU! )It's not enough  
It's not enough  
It never was or will be  
I never had the chance to thank you  
(FOR RIPPING OUT MY HEART)It's not enough  
It's not enough  
It never was or will be  
I never got the chance to say  
(FUCK YOU)(YOU JUST LOVE TO HATE ME! )  
It's not enough  
It's not enough  
It never was or will be

I never had the chance to thank you  
(FOR RIPPING OUT MY HEART)It's not enough  
It's not enough  
It never was or will be  
I never got the chance to say  
(FUCK YOU)
