Who'll Be Looking Out for Me

[Robert Earl Keen](#)

What the hell is wrong with me
I can't do nothin' right
I sleep away the whole day long
And I stay awake all nightI'm fightin' things that I can't see
And I never seem to win
Who'll be lookin' out for me
When I start givin' in?It's always hard to trust yourself
When everything goes wrong
It's hard to be with someone else
When you're feeling all aloneIt's hard to find your sanity
When you can't find a friend
Who'll be lookin' out for me
When I start givin' in?When I say I can't take no more
And throw away my dreams
Quit believing in myself
Who'll believe in me?I'm torn between my love for you
And the life I dream about
I don't know what I'm gonna do
If we can't work it outI can't imagine how it'd be
To change the way it's been
Who'll be looking out for me
When I start givin' in?
