

Rebellion (Lies)

Arcade Fire

Sleeping is giving in, no matter what the time is
Sleeping is giving in, so lift those heavy eyelids
People say that you'll die, faster than without water
But we know it's just a lie, scare your son, scare your daughter
People say that your dreams are the only things
that save you
Come on baby in our dreams, we can live our misbehavior
Every time you close your eyes
(Lies, lies)
Every time you close your eyes
(Lies, lies)
Every time you close your eyes
(Lies, lies)
Every time you close your eyes
(Lies, lies) Every time you close your eyes
Every time you close your eyes
Every time you close your eyes
Every time you close your eyes
People try and hide the night underneath the covers
People try and hide the light underneath the covers
Come on hide your lovers underneath the covers
Come on hide your lovers underneath the covers
Hidin' from your brothers underneath the covers
Come on hide your lovers underneath the covers
People say that you'll die faster than without water
But we know it's just a lie, scare your son, scare your daughter
Scare your son, scare your daughter
Scare your son, scare your daughter
Now here's the sun, it's alright
(Lies, lies)
Now here's the moon, it's alright
(Lies, lies)
Now here's the sun, it's alright
(Lies, lies)
Now here's the moon it's alright
(Lies, lies) Every time you close your eyes
(Lies, lies)
Every time you close your eyes
(Lies, lies)
Every time you close your eyes
(Lies, lies)
Every time you close your eyes
(Lies, lies)
Every time you close your eyes
(Lies, lies) Every time you close your eyes
Every time you close your eyes
Every time you close your eyes
(Lies, lies)
lies)
