

Havin' A Ball

Styx

Written by james young, john curulewski

Lead vocals by james young Yeah

Now tell me girl

Won't you tell me true

Help me get this out of my head Now fenny thinks that there ain't no stoppin'

Until you got me flat on my back You know my number

Just give me a call

You know what I'm thinking

We're just havin' a ball Now there's things that I agree with

And things that I really don't

If you think I'm free to try something crazy

There ain't nothing 'round that I won't You know my number

Just give me a call

You know what I'm thinking

We're just havin' a ball Yeah

Just havin' a ball

Just havin' a ball

Just havin' a ball

Just havin' a ball Now if you want to spend some time with me

If you've got some time to kill

Tell more or else I'll leave this place

Know a couple of a ladies that will You know my number

Just give me a call

You know what I'm thinking

We're just havin' a ball You know my number

Just give me a call

You know what I'm thinking

We're just havin' a ball Yeah

Just havin' a ball

Just havin' a ball

Just havin' a ball

Just havin' a ball You know my number

Just give me a call

You know what I'm thinking

We're just havin' a ball You know my number

Just give me a call

You know what I'm thinking

We're just havin' a ball You know my number

Just give me a call

You know what I'm thinking
We're just havin' a ball
