

Wish

Lifehouse

So you found
A better hiding place than on the ground
Inside the image
Of who they think you are And I wish the best of everything for you
I hope you know that honestly I do
How long can you run
Turn your back on everyone
Just let me know
When you're tired of being alone So you wait
All through the night and day to day
Wait for the illusion of the perfect song And I wish the best of everything for you
Hope you know that I honestly I do
How long can you run
Turn your back on everyone
Just let me know
When you're tired of being alone
