

Golddigger (feat. Martijn Hagens)

Armin van Buuren

(feat. Martijn Hagens) Here I am, standing naked
that's what she said,
I don't mind as long as I get what I want She's heaven sent,
take this subway,
you're always sorry when you tell me what you're feeling. Oh she's so special
Oh she's so special
On and on and on she cries to me
On and on she makes me feel so special
She's a devil in disguise, she's a Golddigger
Well I don't mind
Don't really care This is the end,
and will be the last time.
You're always begging for salvation
but you don't have self respect Oh she's so special
Oh you're so fucking special
On and on and on she cries to me
On and on she makes me feel so special
She's a devil in disguise, she's a Golddigger Well I don't mind
Don't really care I don't want to be side to you
I don't want to be afraid of you
It takes me nowhere
It leads me nothing
Oh she's so special
Oh you're so fucking special
On and on and on she cries to me
On and on she makes me feel so special
She's a devil in disguise, she's a Golddigger
