I believed all of your dreams, adoration

You took my heart and my keys and my patience

You took my heart on my sleeve for decoration

You mistaken my love I brought for you for foundation

All that I wanted from you was to give me

Something that I never had

Something that you've never seen

Something that you've never been!

But I wake up and act like nothing's wrongJust get ready for...Work, work, work, work, work, work

I just hope that it gets to you

I hope that you see this through

He said me haffi

Work, work, work, work, work, work!He see me do miDirt, dirt, dirt, dirt, dirt, dirt!

When you ah guh
Learn, learn, learn, learn, learnMeh nuh cyar if him
Hurt, hurt, hurt, hurt, hurtingYeah, okay
You need to get done, done, done, done at work, come over
We just need to slow the motion
Don't give that away to no one
Long distance, I need you
When I see potential I just gotta see it throughIf you had a twin, I would still choose you
I don't wanna rush into it, if it's too soon
But I know you need to get done, done, done, done
If you come over
Sorry if I'm way less friendly
I got niggas tryna end me, oh
I spilled all my emotions tonight, I'm sorry
Rollin', rollin', rollin', rollin', rollin'
How many more shots until you're rollin'?
We just need a face to face
You could pick the time and the place
You spent some time away
Now you need to forward and give me all the...Work, work, work, work, work, work
He said me haffi
Work, work, work, work, work, work
He se me do mi
Dirt, dirt, dirt, dirt, dirt, dirt!
So me put in
Work, work, work, work, work, work
When you ah guh
Learn, learn, learn, learn, learn

Hurt, hurt, hurt, hurt, hurtingMmmmm, mmmmm

Work, work, work, work, work, work
