

# Union Of The Snake

## Vulvagun

Telegram force and ready  
I knew this was a big mistake  
There's a fine line drawing  
My senses together  
And I think it's about to break  
If I listen close I can hear them singers  
Voices in your body coming through on the radio  
The Union of the Snake is on the climb  
Moving up it's gonna race it's gonna break  
Through the borderline  
Nightshades on a warning  
Give me strength at least give me a light  
Give me anything even sympathy  
There's a chance you could be right  
If I listen close I can hear them singers  
Voices in your body coming through on the radio  
The Union of the Snake is on the climb  
It's gonna race it's gonna break  
Gonna move up to the borderline
