

# 20.000 Miles Over The Sea (Boca Junior Remix)

## Enigma

I was childish and unfair to you, my only friend  
I regret, but now it's too late  
I can't show you anymore, the things I've learned from you  
Cause life just took you away  
I'm asking why  
I'm asking why  
Nobody gives an answer  
I'm just asking why  
But someday, we'll meet again  
And I'll ask you...  
I'll ask you why, why it has to be like this  
I'm asking you why, please give me an answer  
Many years of stupid fights til we accept to see  
How it was and would always be  
Why it has to be like this, why we don't realize  
Why we're too blind to see the one who's always on our side  
I'm asking why  
I'm asking why  
Nobody gives an answer  
I'm just asking why  
Just tell me why, why it has to be like this  
That the good ones disappear  
I'm asking you why  
I'm asking why  
I'm asking why  
Nobody gives an answer  
I'm just asking why  
I'm asking why
