

Limo Song (Yumi Zouma Remix)

Jack River

[Verse 1]

There I met you downtown, hey, hey
You rolled in like a limousin
I avoided things you could've done
You've done[Chorus]

Can I run to you like you running to me?
Can I fall into you like you fall into me?
Can I run to you like you running to me?
Can I fall into you like you fall into me?

And I falling to you[Verse 2]

There under the table, hey, hey
Now I'm waiting for the ending
And you want to speak
But you have nothing to say

[Chorus]

Can I run to you like you running to me?
Can I fall into you like you fall into me?
Can I run to you like you running to me?
Can I fall into you like you fall into me?

And I fall into you[Bridge]

You had that pose like a pinstripe
I never wanted to say goodbye
You're crying in the mirror

So your reflection like you is mine[Chorus]

Can I run to you like you running to me?
Can I fall into you like you fall into me?
Can I run to you like you running to me?
Can I fall into you like you fall into me?

And I fall into you

[Chorus]

Can I run to you like you running to me?
Can I fall into you like you fall into me?
Can I run to you like you running to me?
Can I fall into you like you fall into me?

And I fall into you[Outro]

And I fall into you
And I fall into you
And I fall into you
And I fall into you
