

Lookin' Out for #1

Death By Stereo

the waters choppy, but it doesn't cut me now. 'cause i ain't sinkin', no i ain't goin' down below. i don't think that way
you know i never have. i can't slow down now just because you lag. you're always pulling, keep on trying. keep on
trying to bring me down. i'm going to show you that i don't like to fuck around. you show your face and i'll look
the other way. you blink your eyes and you've got no friends to play. pick up the slack, no. i won't carry your
monkey on my back. save the world, no. got no time, i've got to save myself today. i've got a mission to fulfill the
things in life. i've got a lot of things to see before i live to die. all this negativity tries to bring me down. as you get
worse, i turn my life around.
