Fool No More

S Club 8

I don't want to (no no no no)
Ah
Never gonna be a fool no more

Never thought I'd see the day
You'd play me
But you're the kinda guy
Who lies to get along

So caught up in your cheating world
With diamond-studded rings and pearls
Now you can't deny it
And I won't be the fool no more

[Chorus]
Don't you tell me
I'm the only one
Coz somethin' tells me
There's another one
Who calls you baby
Not the kinda girl to take so lightly
I don't want to be the fool no more
Never thought I'd be the fool no more

You said to me
I'll be there (I'll be there)
But you're the kinda boy
Who's time is nearly done

So caught up in your cheatin' world
(You're caught up, caught up)
With diamond-studded rings and pearls
(That I gave ya baby)
Now you can't deny it
And I won't be the fool no more

[Chorus]

Don't you tell me
I'm the only one coz somethin' tells me

There's another one who calls you baby
Not the kinda girl to take so lightly
I don't want to be a fool no more
Never thought I'd be a fool no more

I don't want to be
Never gonna be a fool no more

Don't you tell me
I'm the only one coz somethin' tells me
There's another one who calls you baby
Not the kinda girl to take s lightly

(I don't want to)
Don't you tell me
I'm the only one coz somethin' tells me
There's another one who calls you baby
Not the kinda girl to take so lightly

(I don't want to)
Don't you tell me
(I don't want to be a fool)
There's another one who calls you baby
(No more)

I don't wanna
