

# It's Alright

## Mobb Deep

M J B, M O B B Fifty, it's alright  
Your love's in 187 baby it's alright, it's alright  
When we beefin' we ain' speakin'  
Feels like I'm dyin' inside but it's alright  
Forget the trials and tribulations you been through in your life  
Come to me runnin' trust me baby I make it right You with me lil' mama, let's breeze lil' mama  
We start with a lil' bit and take it to a lotta that  
Love gettin' hotter you can if you wanna  
Have it all it's yours just ask and you got it The trillion cuts, the Audi and Porsche trucks  
I do these things for you 'cuz you my done  
Girl, feel special 'cause I don't spend  
Nuttin' but time with certain other broads I rip You belong in minks, bracelets and rings  
Not handcuffs forget about that locket chain  
And just leave lil' mama, this P lil' mama  
I ain't them, I'm me lil' mama My baby, you crazy and I'm hooked  
Your body right, your smile light up the room  
That man you got, that nigga's a fool  
Guess one man's trash is the next man's jewel This is no way to live  
(It's alright)  
But it's just the way it is  
(It's alright) You got to understand  
(It's alright)  
That I never could trust a man  
(It's alright) But I got to let it go  
(It's alright)  
And stop livin' in the past  
(It's alright) (It's alright)  
And give you a chance  
(It's alright)  
Give you a chance When we first middle sex fif, knew that you was that chick  
Wooly sayin' holla at her, whip sayin' girl get in  
Remind me of a women that, I can have without the stress  
Asked if she had a man, couldn't tell if no or yes Hell, I just dipped her number and talked more  
When I hit you one conversation, I knew that she had trust issues  
Who the hell would do that, man cheated on her twice  
Last one before that, found out homie had a wife Looked so secure, but yet so delicate  
Can't come back in the crib without a search for evidence  
Baby girl, I ain't here to hurt you, here to protect and serve you  
Ain't your fool model them other dudes don't deserve you What you tryin' to do, scare me off and leave you low

Funny how you let it ring and never answer your phone  
The accuser got me curious, I asked who it was  
He like the 'Sold-a-soul' man, who the fuck you 'cuz? I'm out This is no way to live  
(It's alright)  
But it's just the way it is  
(It's alright) You got to understand  
(It's alright)  
That I never could trust a man  
(It's alright) But I got to let it go  
(It's alright)  
And stop livin' in the past  
(It's alright) (It's alright)  
And give you a chance  
(It's alright)  
Give you a chance Every time I hurt you it's because of what someone else  
Has done to me and I know it's not really fair  
No I just can't trust you 'cuz I just got outta something  
And I'm running, boy you know that I'm running scared You treat me so good that it's just too good to be true  
And I don't think that I really deserve  
To be treated like a woman should  
'Cuz I been so hurt in the past I'm still carryin' bags This is no way to live  
(It's alright)  
But it's just the way it is  
(It's alright) You got to understand  
(It's alright)  
That I never could trust a man  
(It's alright) But I got to let it go  
(It's alright)  
And stop livin' in the past  
(It's alright) (It's alright)  
And give you a chance  
(It's alright)  
Give you a chance We can ball to the fullest baby  
(It's alright, it's alright)  
You can style if you want, go ahead stunt  
(It's alright, it's alright)  
If it's diamonds you like go ahead pick 'em up  
(It's alright, it's alright)  
Get the first Bentley spurs His & Hers  
(It's alright, it's alright)
