

# A Face Like That

## Pet Shop Boys

With a face (with a face)  
With a face (with a face)  
    Only this morning  
    The thought I've been wanting  
The tropical storm was passing through  
    And so were you  
    How come you're always crashing  
    Saw your eyes flashing  
The tropical storm was passing through  
    And so were you  
    With a face like that  
    How couldn't I want you  
    With a face like that  
    Why wouldn't I fall in love with you  
    With a face like that  
    With a face like that, you could win a fortune  
    With a face like that, you could have the moon  
With a face like that, you could look as your master  
    With a face like that  
    In a place like this  
    Why wouldn't I fall in love  
    With a face like that  
    Why wouldn't I fall in love  
  
    With a face like that  
    Follow a lighting  
    Touch your heels heightening  
With it or hate it much more real  
    And a permission I bare  
    Standing so near me  
    You put the fear of God in me  
Felt like the town was falling down  
    And there you are  
    With a face like that  
    How couldn't I want you  
    With a face like that  
    Why wouldn't I fall in love with you  
    With a face like that  
With a face like that, you should be a law suit

With a face like that, can I bow down and point  
With a face like that, all the girls want too  
With a face like that  
In a place like this  
Why wouldn't I fall in love  
With a face like that  
Why wouldn't I fall in love  
With a face like that
