Hypno

Artemis

ï»¿itâ€™s been a long night
the warmth of you washed the strange clouds from my eyes
rolled all my dreams into one
perfect little world
one tiny seed i hold in my hand
one key that turns
if my heart beats faster
if time is slowing down
it doesnâ€™t frighten me
iâ€™m still spinning round

watching dark turn into light
turn into dark turn into light

when my tongue is tingling
for a bit of sunshine
one ray comes to crack me open
spill me on the ground
so i can mingle
with the earth and stones
mix a little new life
into these bones

if my heart beats faster
if time is slowing down
it doesnâ€™t frighten me
iâ€™m still spinning round

watching dark turn into light
turn into dark turn into light
